DEMON CHILDREN OF YAHARA

One of
the recently
debated
documents
among
historians

Sampo
Confidential
Records

T-49 SAMPŌ IS THE FORMER NAME OF SHIMODA PREFECTURE IN JAPAN.

An important war in
which the Tokugawa clan
was destroyed by the
Tokugawa shogunate.

The
subject of
dispute is

The Story of
Osaka in 1615.

The unified
Tokugawa
Army's...

An event that
wasn't documented
in history.

JUDOS

Crushing

Defeat!

The following was
documented in the
Sargu Confidential
Records:

Oh?

an unarmed
man with neither
guns nor blades
appeared.

Then

The Takagawa
army headquarters
was captured over
their victory over the
Toyotomi Army in the
Battle of Tonnouj

Surroundingly.

He defeated
15,000 soldiers

And he left
lonely.

and even
the great
Takagawa
loyal

The name
left behind...
by that man.

Tonaka
Juroou.

Thus the
Takagawa
shogunate's
greatest disgrace
was concealed
from the grand
stage of history.

After that, Juroou
immediately
covered up
that event.
